

Bonner County ARES/RACES Net Script (Ver 1-29-17)

5 Minutes Prior to Net announce:

QST QST QST

The Bonner County ARES/RACES Net will begin in 5 minutes on the Baldy repeater:

442.500 MHz + Offset and tone of 131.8 Hz. We would appreciate a clear frequency at that time **<your call>** standing by.

Start of Net:

QST, QST, QST

Welcome to the Bonner County ARES/RACES Net. This is **<your call>**, my name is **<Your Name>**, and I will be net control station for today, **< date>**. For the net, I will be using the Bonner County ARES call sign, **K7BNR**. This net meets every Monday evening at 7:00 PM local time. This Net is held on the Baldy Mountain Repeater in Sandpoint with a frequency of 442.500 MHz + Offset and a 131.8 Hz tone.

The purpose of the net is to provide emergency communications training and information, and to test the communications capability of our ARES and RACES stations in Bonner County. This is a Directed Net so please address all transmissions to Net Control. Participating stations are requested to remain on frequency until the Net closes. If you can't stay with us for the entire Net please let Net Control know.

Any station with emergency or priority traffic – **come now**

If there is traffic note it and handle it

This is **K7BNR**. After check-ins are complete I will acknowledge members with traffic. Traffic includes: Formal Messages, Announcements, Questions, Comments, Activities, and other items of interest to the General Amateur Radio community. Net Control will have

< how many> announcements this evening (**always 1 meeting note below**).

We will now begin the check-in portion of the net with ARES/RACES Members I will ask for any visiting stations in a few minutes. All licensed Amateurs are welcome to check in at that time. Members come now with your call sign.

(Note their call signs and respond to their check in)

This completes the check-ins for ARES/RACES members. Visitors please come now with your call sign, name and location.

(Note their call sign name and location and thank them)

Any late or missed members come now.

(Note their call sign)

This evening, Net Control has < how many > announcements.

Always announce: ARES/RACES meets at 5:30 pm on the 1st Tuesday at the County Administration Bldg 1500 Hwy. 2 in Sandpoint. Park in the south lot and come to the metal door. If you are interested in learning more about Bonner County ARES/RACES you can visit us on the K7BNR web SITE at www.bonnerares.org To join ARES you must have a valid FCC Amateur Radio License and register at www.idahoares.info

(Summarize them and note the source):

Are there any questions, comments, or additional business for the net this evening?

(Note any.)

This concludes the Bonner County ARES/RACES Net for this evening. The Bonner County ARES/RACES team thanks you for checking in and thank you to our repeater owners for their assistance. The next scheduled net will be one week from today, at 7:00 PM local time.

This is **K7BNR**, returning the frequency to general use.

Thanks, everyone, for your participation, and 73

After completing the BC ARES Net Log.odt (available on our web site www.bonnerares.org

email it to Lori at kf7ikp@gmail.com
